DEBOSSING

We offer three tiers of debossing for personalizing your covers.

- Standard Debossing includes 14 plain text options on up to two lines.
- The Debossing Collection offers 16 pre-made and semi-custom designs.
- Custom Debossing offers the freedom to submit any unique design, in a small or a large size – small designs measure 4 x 2 inches and large designs measure 7 x 3 inches.

Blind debossing is our default style of debossing, which means no color or foil is added to the impression. Foil debossing is available exclusively on Luxe Linen, Classic Linen, and Vegan Suede covers, in gold, rose gold, and silver.

NOTES

- Some cover materials deboss better than others. For materials that are hard to deboss, we recommend using a cameo instead.
- Debossing is not recommended for the following covers: Coffee Bean, Pinecone, Maple, Crema (leather); Midnight Black, Almond (fabric).
- For Coastal Linens, Pure Linen, Natural Linen and Most Standard Fabrics, choose custom debossing, Geo or Edinburg.

DEBOSSING

STANDARD DEBOSSING

Standard debossing is our base-level debossing option. We offer 14 font types, and you can choose up to two lines of text and any letter case of your choice.
